

Charity Event for the Children of Totatiche in Jalisco, Mexico

This Holiday Charity Event provides the children of the small town of Totatiche with toys and goodie bags filled with treats. We need your help to continue this tradition.

For every \$10 you donate a toy will be given to a child in your name. Our goal is to raise enough funds to purchase 500 toys. You can also make a donation on behalf of a loved one. You will then receive a card stating your donation and showing you pictures of this year's Charity Event.

Seeing a child smile is one of the most amazing gifts! Your donation will allow hundreds of smiles and dreams to come true this Holiday Season. Thank you!
